

Location Country: Italy

Type of incident: Vehicle

**Summary:**

During high speed driving, a supplier owned car was almost colliding with a truck stopped at a stop sign

**Root Causes:**

- The actual speed was by far higher than the maximum allowed of 5 km/hr;
- the Driver did not comply with rules & signs;
- the Driver was not keeping a defensive driving approach;
- the Driver told that She was not paying attention to the driving (automatic maneuvering).

**Actions Taken Thus Far: Next Steps**

- Warn the Driver to maintain a defensive driving behavior;
- explain to Her the internal mobility procedures.
